It has been brought to our attention by the folks at Colombia Bank that we need to have consistency with using our name. The “legal” name of the cemetery is **Hales Passage Scandinavian Lutheran Cemetery**. Even though it is a mouthful, going forward we will make every attempt to remain true to our history and origins. Any checks should be made out to HPSLC.

On Saturday, March 20, Edward Peterson with the help of family and fellow Scouts from Troop 217, installed the new 25' flagpole for the cemetery. This was Edward's Eagle Scout Project that had been in the planning stages for several months.

We are so grateful to have had this opportunity to work with this fine young man! Edward and his troop have been coming to the cemetery to honor Veterans on Veterans Day for the past 6 years.

Way to go Edward!
